Sandeep Randhawa testifies.

3:31 p.m. Court stands at recess.

3:36 p.m. Court resumes with all parties present and remain under oath. A record of the proceedings is made by CD/videotape in lieu of a court reporter.

Based upon the testimony and evidence presented at the hearing, the Court makes the following findings and orders:

THE COURT FINDS that the relevant financial factors required to be included, and the discretionary allowances and adjustments which the Court will allow, for a current calculation of child support pursuant to the Arizona Child Support Guidelines are as set forth in the Child Support Worksheet incorporated herein by reference.

The existing child support order requires Father to pay child support of \$451.77 per month. The parties agreed to deviate that amount to \$500.00 The Court does not find that there is evidence of a substantial and continuing change of circumstances to modify child support in this case.

IT IS ORDERED denying Petitioner's Petition To Modify Child Support and affirming the terms of the existing child support order in this case.

3:51 p.m. Matter concludes.
